- **veijo Oskari Baltzar**

"Baltzar is a divine narrator."
Salon seudun sanomat, 1970

"The timeless quality of Baltzar's works is exceptional."
Kansan uutiset 1968

"The work (The Burning Road) is a thorn in the flesh of every white man."
Kotiseutu Uutiset 1969

"Baltzar has always had an eye for dramatic settings; sensually intense situations; exotic portraits, erotic and cultural tensions. Baltzar is one of the most fascinating authors of the year."
Keski-suomalainen, 2008

Designed to the four-level level, *Strategies English* series designed to motivate students to progress beyond an average level of proficiency and gain the functional language fluency needed. This series provides an opportunity for students to learn the secrets of their students' and/or professionals' life as well as their own life in the workplace.

The *Strategies* Student Books contain:

- an integrated workbook that provides extra vocabulary, grammar and reading practice;
- an extensive reader, that offers students an opportunity to read for pleasure;
- an audio program, which includes all the readings, and the reader, besides the standard listening and pronunciation content;
- self-check exercises, so that students can track their progress.

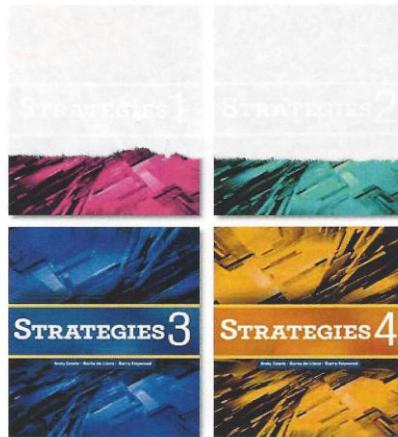

The *Strategies* Teacher's Editions contain:

- interleaved procedural notes for all unit material;
- suggestions for extension exercises;
- answer keys for all student book, workbook and self-check exercises;
- teaching tips;
- suggestions for developing better learning strategies.

Full licensing per country for all content, images and audio program.
